CONTACTS: **BOB MUNRO**

e-mail **(rmunro@nycap.rr.com)**

The golfers who participated and/ or provided sponsorship in our tournament in previous years have until May 8th to confirm that they will be back and mail their payments. On May 9th we will open up registrations to our waiting list on a first come first served basis. **Last year our tournament donated \$9,345!** That brings our total tournament donations up to \$84,000.

If you have never golfed in our tournament and are interested in being added to the waiting list just send an email to rmunro@nycap.rr.com. Unfortunately we are limited to 144 golfers so we can't guarantee they'll be enough openings to accommodate all who are interested. But, if you are fortunate enough to acquire an opening I'm sure you will have a great time! After all, what other tournament has a beautiful bagpiper at the hole in one contest, a performance by an award winning bagpipe band at the banquet and all the Guinness, Newcastle or Lite beer you can drink at a manicured golf course with excellent banquet facilities and fantastic food? I dare so none! I know....I boast....but I am truly proud of this event as are all the members of our committee.
